The TNT core logo in 2 colours is the preferred corporate identity application, and should be used whenever materially possible.

Design Elements
TNT Logo
Pantone Orange 021 reversed out.
Only on a PMS 021 coloured background.
100% Black

The TNT core logo is the key visual symbol identifying the company and reinforcing its name as a global provider of express, logistics and mail services.
The logo shown on this page is correct.

It is a valuable asset and will be used in accordance with the rules. This will ensure that the image of TNT is continually strengthened, and that the company itself is distinguishable from its competitors.

The TNT core logo is created specifically for visual impact and may not be substituted by any typeface which may appear to be similar.

The TNT core logo is specifically to be used in 2 colours on all materials which are customer facing, except when operation, production or budget constraints preclude.

Notes
The TNT core logo may not be altered in any way. This will ensure that the TNT core logo is presented with total consistency on a global basis, and enable the company and its employees to obtain the positive benefits of a single, global brand.
